

The 6th Annual Conference of the American Ecological Engineering Society

“Efficient Sustainability in a Dry Land”

The University of California, Berkeley invites you to attend and participate in the American Ecological Engineering Society’s Sixth Annual Meeting.

This conference will be held on-campus in Berkeley, California April 13-14, 2006. The theme for this meeting will be “Efficient Sustainability in a Dry Land.” The conference will feature invited speakers, technical presentations, poster sessions, an open discussion on the development and advancement of the field of ecological engineering, field trips, and a social. Please visit http://www.aeesociety.org/annual_meeting/2006/annual_meeting_2006.htm for on-line conference registration and additional conference details.

Registration

- _____ \$250 for AEES members
- _____ \$320 for non-members (includes 1 year membership in AEES and subscription to *Ecological Engineering: The Journal of Ecological Restoration*)
- _____ \$60 for student AEES members
- _____ \$90 for nonmember students (includes 1 year membership in AEES and subscription to *Ecological Engineering: The Journal of Ecological Restoration*)

On-site Registration

- _____ \$300 for AEES members
- _____ \$370 for non-members (includes 1 year membership in AEES and subscription to *Ecological Engineering: The Journal of Ecological Restoration*)

Contact Information

Name on Badge _____
University/Company Affiliation _____
Street Address _____
State _____ Zip Code _____
Work Phone _____ Other Phone _____
